

(T4132) BARLEY COILS FROM CRETE 350g (*data sheet version 2021*)

PAXIMADI is the Greek word for baked bread crackers. It is pronounced *pa-xee-má-dee*.

USP our barley coils are hand-made in Crete, with a traditional family-recipe. They are baked in the oven (and not fried). They are tasty, healthy & crunchy.

SERVE with Greek Feta cheese, diced tomatoes, olive-oil, capers, oregano and olive oil; also with finely sliced Italian hams, or smoked salmon. Use them crumbled in salads and soups – as healthy “croutons”. Make appetizers with caviar, olive-pate or foie gras. Enjoy them for breakfast with butter or tahini, and honey or marmalade.
