

(T1072) MELI – ORGANIC HONEY FROM PELION MOUNTAIN 240g (v. 2021)

MELI is the Greek word for honey. It is pronounced maElee

USP Organic bee-honey from mountainous blossoms (oak, fir and chestnut) of Pelion. Natural & un-pasteurised (not processed with heat). With a dark bronze colour

SERVE Honey is ideal for a healthy and nutritious breakfast. Try it for breakfast on buttered toast or fresh bread, or with cereal and milk. Honey is a natural sweetener and excellent substitute for sugar. Try it in all herbal teas; as topping on Greek yogurt or vanilla ice-cream; in salad dressings and vinaigrettes!

AWARDS Great Taste Awards 2016 (UK) 1 star

Table 4: Stunning colour, beautiful, clear consistency. Lovely aromatic flavour with a depth of molasses. We went back for more, this is a lovely honey

Table 1: Really vibrant caramel colour with a natural clarity, delivering a nice level of sweetness with caramel, smoky and leather notes, a real journey of tastes. A really individual product with a pleasing aftertaste and depth.
