AWARDS Great Taste Award 2018 (UK) 2stars:

Table 6: *There is a lovely sparkle to the ground crystals, and the gentle breadth of salinity is absolutely delightful. The crystals are firm, dense, brilliant white, yet once ground they melt readily on the palate, giving a clean, bright, yet multilayered experience. A salt that ticks every desirable box, a treat for any use.*

Table 99G: *A pure, white and subtle fleur de sel - clean and no bitterness. A very good example of a pure salt which would add character to any dish.*

Table R3: *A well-flavoured salt with good sized crystals, very pleasant.*

Table R2: *Pleasing texture of grain that comes out of the mill retaining a fun sparkle. Interesting sweet notes, good clean overall flavour that doesn't ever spike in harsh saltiness. Pleasant subtle taste of the sea.*
