

(T1005) AELÉA ORGANIC KALAMATA OLIVE-PÂTÉ 180g (*data sheet version 2019*)

AELÉA is the Greek word for Olives. It is pronounced æÉLÉa (the first letter "a" is silent, and the word sounds similar to the "Aegean" sea).

MYTH According to the ancient myth, Goddess Athena bestowed two sacred gifts to the ancient city of Athens: the olive tree and her name. This is why olives, olive oil and the olive tree are almost sacred in a way, for Greeks.

UNIQUE ATTRIBUTES Unusually thick & tasty with a high content in organic Kalamata olives, and a unique recipe.

SERVING SUGGESTIONS Spread it on toasted bread or Cretan bread-crackers. Make delicious dips and appetizers. Try it in pasta sauces, salad dressings or as pizza topping.

Judges' comments:

*Table 2: A lovely dark colour and aroma. We liked that it is **totally natural with nothing added**. The consistency is particularly good - no chips of olive stone - and we liked the taste but found it slightly unbalanced - little fruitiness to balance the bitterness. Good quality olives.*

*Table R2: This has a **rich Kalamata aroma and is very smooth**, with a well rounded flavour and clean, lingering finish. Pleasantly not too bitter. Well done. Well balanced.*
