

(T1001) AELÉA ORGANIC KALAMATA OLIVES 170g (*data sheet version 2019*)

AELÉA is the Greek word for Olives. It is pronounced æÉĹĒa (the first letter "a" is silent, and the word sounds similar to the "Aegean" sea).

MYTH According to the ancient myth, Goddess Athena bestowed two sacred gifts to the ancient city of Athens: the olive tree and her name. This is why olives, olive oil and the olive tree are almost sacred in a way, for Greeks.

UNIQUE ATTRIBUTES Greek olives processed naturally without the use of caustic soda. Matured slowly for minimum 6 months. 100% Natural - Organic (BIO) product without any additives or preservatives.

SERVING SUGGESTIONS Kalamata olives are ideal for the traditional Greek "horeatiki" salad (with tomatoes, cucumber, onion, capers, oregano and olive oil). They also make delicious appetizers served with Cretan bread crackers and ouzo or tsipouro. Try them sliced in your sandwich or as pizza topping.
