**USP** Superb thyme honey from Ios island (Cyclades – Aegean sea). 100% natural bee-honey from thyme blossoms. Natural, unblended, pure, with complex aroma, vibrant amber colour, rich texture and limited annual production.

**SERVE** Honey is ideal for a healthy and nutritious breakfast. Try it for breakfast on buttered toast or fresh bread, or with cereal and milk. Honey is a natural sweetener and excellent substitute for sugar. Try it in all herbal teas; as topping on Greek yogurt or vanilla ice-cream; in salad dressings and vinaigrettes!

**AWARDS** Great Taste Awards 2020 (UK) 1-star:

*Extra light amber coloured, this luxuriously thick honey features suspended wax pieces, with pronounced floral and warm herbaceous aromas coupled with appealing citrus notes.*

*Crunchy waxy consistency, with a vibrant apricot zing and pungent fresh notes of green thyme and rich maple maltiness culminating in a heady, aromatic finish, with enormous length.*

*Wonderful forest notes come from this thick and cloudy amber honey. Subtle thyme comes through on the palate, building in layers with warm soft sweetness. The thyme persists on the palate with a long aromatic finish that is really delightful.*
